

We are grateful that **Arlington Christian School** has chosen to use BJU Press Textbooks. BJU Press combines biblical worldview shaping and academically rigorous materials to support the mission and values of your school.

We've designed the **BJU Press Parent Portal** to make it easy for you to order the BJU Press textbooks required for the school year. Your school has already customized a booklist for you. By using your school's BJU Press Parent Portal code, you ensure you're ordering the correct textbooks for your child.

Because your school is a BJU Press Partner school, you will receive a 15% discount and free shipping on your order through the Parent Portal, in addition to having the most current textbooks every year for your child(ren).
